Dec. 2022

Greetings from the “Land of a million smiles” (Chiang Mai, Thailand.)
 The Missionary work goes on apace. Nala & I are doing well.

Brother Johnson assisting Dr. Green baptizing..

Right picture: We recently lost one of our faithful church members. Bro. Jim Welch, due to an illness. I Baptized him and we greatly miss him.

Left: The young lady pictured in the Baptistry is Gracie . Gracie is a University student, Dr. Green reads Acts chapter #8 in preparation for Baptism.

Right: This is Brother and Sister Lai, they were received in to the membership of Trinity Baptist Church and Peter was ordained to the ministry. They are missionaries sent out by Trinity Baptist Church of Chiang Mai into parts of Asia.

Pictured here are 3 men from India who called and asked me to spend some time teaching them Theology and the Doctrine of the Local church. This was some years ago. Two are now returning this December 2022 as one of them wants to be Ordained by our church, which we will do. The other is already a Pastor in India.

Pastors needing help with their Theology and having heard us on the Internet, have asked us to allow them to come to Chiang Mai and spend some time with me in order to teach them Theology. This ministry seems to be expanding. We have had them come from Hong Kong, India, Pakistan, Canada, Singapore, Vietnam and the States. (1 Timothy 2:2)

Church membership was not something a man got with salvation but a subsequent blessing he got after salvation by being added to the church.
 Baptism is not essential to admission into either the family of God or the kingdom of God but baptism is essential to admission into a church of God. That local church at Corinth was the body of Christ at Corinth. The members of the church at Corinth belonged to only “one body” of Christ.
If the church were composed of all the saved everywhere, they would have belonged to two churches of bodies of Christ—one local and visible, the other universal and invisible. The New Testament knows nothing of such confusion as that. God is not the author of any such confusion.

Picture: **Phom**, is his name. He is in the 2nd year of Chiang Mai Technical College in Automobile major. He told us he will finish the 5th year.

These are our Children’s Home girls and boys. These girls are wearing traditional Tribal skirts. These girls are in Elementary school.

Picture: **Chanin**, is his name. He is in the 3rd year of Chiang Mai Vocational college in Cooking major. He told us, he will finish the 5th year . He has been living in our Children’s Home for 12 years.

These two boys are in the last year in high school. Next year they are will be in University. We don't know yet which University they can get in, they need to work hard to have a test to get in to it. The boy on the right has been living in our Children’s Home for 9 years.

AS we look back over the years, we take stock of what God has done, of the souls saved, the Children rescued, the buildings built, we can thank the Lord for what He has done. We are simply clay in the potters Hand.

To all who have prayed and helped, we thank you all for your prayers and support.

May God Richly bless you.
Jack & Nala Green
